MEMORANDUM FOR: TALENT Security Officer/CIA
THROUGH: TALENT Control Officer/CIA
SUBJECT: OFFICE OF ELINT
Request for TALENT and TALENT KEYHOLE
Clearances

25X1A

1. Reference is made to memorandum TC5-14201-62/KH written by [REDACTED] Assistant to the Deputy Director (Intelligence), and addressed to you on 30 November 1962. This memorandum reflects that General Carter, DDCI, has approved the conversion of the present Special Intelligence Center to be a complete TALENT KEYHOLE Center.

2. All personnel assigned to the Office of ELINT either work in this TALENT KEYHOLE Center or must have constant access to the area. However, only twelve members of my Office have the TALENT KEYHOLE clearance, while an additional twenty-five persons have the TALENT clearance. The balance, forty-six at this time, have neither clearance.

3. Recent decisions of USIB have included the output of two important ELINT resources in the TALENT KEYHOLE system. This material must be considered in all aspects of the Office of ELINT activities. Additionally, on some occasions, photographic material in the TALENT KEYHOLE system is applicable to ELINT operations.

4. In view of the above, and in view of the benefits desired of General Carter's decision to convert the Special Intelligence Center to a TALENT KEYHOLE Center, and since my personnel must have constant access to this area, I request that you grant the TALENT KEYHOLE clearance to all members of the Office of ELINT.
